dba Precision Snowplowing Services
321 Concord Street
Gloucester, MA 01930

For Residential, We Will:

- ✓ Clear your driveway within a reasonable amount of time as often as it snows
- ✓ Apply salt and sand to steep driveways after 1" of accumulation on cold days
- ✓ Begin plowing hot-top driveway routes when snow accumulation exceeds 3"
- ✓ Start plowing dirt or stone driveways when snow accumulation exceeds 5"

We have:

- ✓ Nine reliable outfitted trucks
- ✓ An experienced round the clock staff
- ✓ Sanding and salting available upon request
- ✓ Rubber blades when needed (unfrozen gravel driveways)
- ✓ Backhoe available when needed (\$150 minimum charge)

We offer:

Fixed yearly rates for plowing and/or shoveling based on the amount of snowfall.

- ✓ 3"-6" = base rate \$ _____
- ✓ 6"-12" = 2X base rate \$ _____
- ✓ 12"-18" = 3X base rate \$ _____
- ✓ 18" and above \$ _____
- ✓ Sand & Salt = base rate \$ _____

FREE day after clean-up to the best ability the equipment can provide.
